Hi [Name],

I wanted to let you know about a conference I'm attending. It's the 2024 CAEL conference. The annual CAEL Conference is widely known as the leading place for leaders to connect and network with industry experts from postsecondary education, workforce and economic development, and industry. You'll have a unique opportunity to meet the best minds in adult learning, inside and outside of postsecondary education. Plus, CAEL has a really fun social community that will be great for networking.

The conference will take place in New Orleans at the Hilton New Orleans Riverside from Oct. 30th to Nov. 1st, 2024. [Here's a link for more information.](#) I hope to see you there!
